UPON hearing the counsel the Court made the following  
O R D E R

We have heard learned counsel for the parties on the issue of on-board diagnostics.

It appears to us that the question of tampering with the on-board diagnostic or the failure rate is very less and remote and directions need not be given in this regard.

However, learned *amicus curiae* says that there are certain parameters that need to be introduced in the PUC Centres. She says that she will give an EPCA report to learned Additional Solicitor General within two weeks who will look into it and respond.

List the matter on 17<sup>th</sup> April, 2018.
