Issue of On Board Diagnostic

From a reading of the Report of the International Centre for Automotive Technology (ICAT), it appears that ICAT has declined to give even a preliminary report. This is unfortunate. The stand taken by ICAT is that a detailed report will be submitted after analysis of all samples as per the project and after analysing and verifying the data collected by the organization after completion of the project.

The Report of ICAT has been filed through its authorized representative - Mr. Tarun Gambhir. He is directed to submit a preliminary report within a period of two weeks from today. A copy of the preliminary report be given to the learned Amicus as well as to the learned ASG.

List the matter on 3rd December, 2018.
